1) BY AIR

Travel : from **PARIS TO EXETER** or PLYMOUTH – www.flybe.com

Exeter is the (much) bigger and better airport and French colleagues will find a greater variety of flights there. By road it is some 1 hour 20 minutes from Dartmouth and taxis cost around £70 to Dartmouth (!). Alternatively, taxi to Exeter station, train to Totnes and taxi to Dartmouth for around £50 (but inconvenient).

Plymouth airport to Dartmouth is about 1 hour by road and around the same cost - the taxi- train-taxi option also exists at similar cost.

2) BY TRAIN

Travel to: **Dartmouth arrive at EXETER** then Totnes, taxi Dartmouth
